

TRENTON  
Military Family Resource Centre  
Centre de ressources pour les familles des militaires

October 2007

Dear Business Owner,

Since the late 1930's, 8 Wing/Canadian Forces Base Trenton has been an important part of the Bay of Quinte area. Today, its members and their families enjoy the region and all it has to offer. They contribute to the life and the economy of this thriving community while they continue to play a vital role at home and abroad. The future looks bright for 8 Wing/CFB Trenton and its dedicated service men and women.

The Discount Program for Military Members is a new initiative of the Trenton Military Family Resource Centre. The program has been designed to offer Canadian Forces members and Department of National Defence employees local goods and services at a reduced cost. We would like to invite you to participate in this program and to show your support to our military members by offering them a discount on your company's products/services.

In exchange for your support, we will ensure that the name of your business and your contact information, as well as your web link, if you have one, are posted on our web site as a sponsor of this program. This will maximize your business' exposure to the thousands of people who live and work at 8 Wing/CFB Trenton.

We hope that you will join us in this new and worthwhile venture. If you would like more information, do not hesitate to contact me.

Sincerely,

Hélène Cadotte-Gagnon
