

## Casual Child Care Available as of December 3, 2018

The Trenton MFRC is now offering Casual Child Care every day! Child care will be available Monday to Friday in Family Age Grouping for ages 0-12 years. This is a licensed child care program offering parents an option to access casual child care.

The Casual Child Care Program is a program based on the four foundations of learning; Belonging, Well-being, Engagement and Expression, set out in the Child Care Early Years Act under the Ministry of Education.

We believe all children are competent, capable of complex thinking, curious and rich in potential. Our program offers play-based learning environments and experiences driven by the interests of children and supported by caring compassionate and dedicated staff. This program allows the placement of children of different ages in the same group in the same play activity room.

### Bookings

The program will run Monday to Friday 9 a.m. – 3 p.m. - **exceptions include PA Days and school holidays in all the local schools and in the event of closure of schools or the MFRC due to weather or other unplanned circumstances.**

In order to book your child for care **you must have completed** the following:

- Child care registration form (available at MFRC and Daycare reception)
- Immunization form with approval from the local Health Unit
- Annual registration fee (\$30)

Spaces are limited and must be booked at least 48 hours in advance. You may have the opportunity to book with less advance notice but we may not be able to accommodate the request. There is no cancellation once childcare is booked due to limited spaces. If you book, **payment is required at time of drop-off.** In the event of a closure on our part you will not be required to pay.

Calendars will be available (at MFRC and Daycare reception) to fill out if you know your requirements in advance and can be submitted at [childcare@trentonmfc.ca](mailto:childcare@trentonmfc.ca) If spaces are booked each month by the same families, we will reserve the right to place a limit on the amount of times parents can pre-book in a month.
